Hillview Nursey School Newsletter

9th November 2020

This week at nursery we are learning;

We will be reading the story Rosie's Walk.

We will be talking to the children about what happened in the story and encouraging the children to retell the story using the props.

We will be focusing on Positional language, under, over, through, in, on, top, around and next.

Children will be taking part in an obstacle course reenacting the story.

Children will take part in story maps which encourages them to recall what happened in the story

Activities you can do at home;

https://m.youtube.com/watch?v=UAdviuJ4H20

Spend time reading stories to your child, ask them open ended question:

What do you think might happen next?

What did you like about the story?

What character did you like?

Can you draw your favorite part of the story?

Play where teddy is, encourage your child to use positional language e.g. where is teddy? Under the box.

Hillview Nursery School
every child is a unique child

General Information;

If your child is born between 1st September and 31st August 2017 they will start primary school in September 2021, you will need to complete an application form online.

https://www.harrow.gov.uk/schools-learning/apply-primary-school-place?documentId=12751&categoryId=210281

The closing date is the 15th January 2021.

Please contact the nursery if you need any assistant in completing the form.

Covid 19 – Coronavirus

We know that this is an anxious time for parents. Please feel reassured that we follow guidance from Public Health, the Local Authority and government in supporting our decisions to run our nursery to ensure it is safe for your children to attend.

REMINDER: Please bring 3 pieces of fruit a week so that the children can have healthy snack

Ofsted (October 2019) said: "Children achieve well at Hillview Nursery School. Staff plan activities carefully and review these activities to respond to children's interests. Children with SEND receive excellent support. Leaders and staff know what they want the children to learn and understand. Their expectations are ambitious, including for the two-year-old children. They plan learning so that children build on what they already know and can do"
