### Our Vision

We are passionate about our vision which guides us in all that we do for our pupils and their families.

- **We Nurture** children's individual personalities and encourage them to be courageous, confident and active learners.
- **We provide** an environment that celebrates inclusion, equality and respect for all.
- **We promote** strong and supportive partnership with our families, encouraging involvement and celebrating our nursery community as a family.
- **We strive** to maximise children's potential and independence. We celebrate achievement and enable the children to be the best that they can be and flourish as independent learners.

Hillview Nursery School is at the heart of the community and continues to provide a high standard of care and education in an inclusive and safe environment.
